

CERT#11057

This certificate is in recognition that 101.34 tonnes of greenhouse gas emissions have been offset by:

Concierge Travel Group

through the purchase of renewable energy carbon credits.

Climate Friendly have retired the equivalent in VCS credits to offset emissions from flights, driving & electricity for period 1/7/08 - 30/6/09.

Thank you for taking meaningful action on climate change and supporting clean energy.
